Susan, as a follow up to our conversation earlier this week, I will not be making a decision regarding these estate items until after the final settlement and/or division of my community assets. I have discussed it with Michael van den Akker who is my wealth manager and longtime financial advisor to both Max and me. He recommends and I agreed to delay committing to major financial purchases. Once the division is complete, then we will have a firmer understanding of future financial capabilities. Please feel free to discuss with Michael van den Akker if you have questions.

I hope you are enjoying this beautiful weather and have a lovely weekend. I will still be doing putters @ putterville.
Jo
