COUNTY CLERK
DALLAS COUNTY

PROOF OF DEATH AND OTHER FACTS --
APPLICATION FOR INDEPENDENT ADMINISTRATION

On this day, in open court personally appeared Jo N. Hopper ("Affiant"), who, being first duly sworn, deposes and says:

"Max D. Hopper ('Decedent') is dead, having died on the 25th day of January, 2010, in Dallas County, Texas, at the age of seventy-five years.

"On the 28th day of April, 2010, JPMorgan Chase Bank, N.A. caused to be filed a written application for the independent administration pursuant to Texas Probate Code § 145(e) and for waiver of bond pursuant to § 145(p), which application was filed within four years from the date of death of the Decedent.

"The Decedent at the time of death resided and had his domicile at 9 Robledo Drive, City of Dallas, County of Dallas, Texas.

"So far as I know, the Decedent died intestate. Pursuant to Section 145(e) of the Texas Probate Code, all of the distributees of the Decedent have agreed on the advisability of having an independent administration and have collectively designated JPMorgan Chase Bank, N.A. for administration of the Estate to serve as independent administrator.

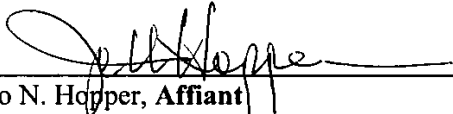

"The Decedent was married two times. The Decedent married Marilyn J. Hickethier, and that marriage was terminated by divorce in May of 1979. Decedent married me, and that marriage was terminated by the death of Decedent. There were no other marriages of the

Decedent that were ever dissolved, whether by divorce, annulment, or a declaration that the marriage was void.

"There were and are more than two debts owed by the Decedent at the date of his death. I believe a necessity for an administration of the estate of the Decedent exists, and that the estate of the Decedent consisted of real and personal property of a probable value in excess of One Hundred Thousand Dollars.

"I am the surviving wife of the Decedent, and have personal knowledge that the facts stated herein are true."

Jo N. Hopper, Affiant

SUBSCRIBED AND SWORN TO BEFORE ME by the said Jo N. Hopper, on this the 30th day of June, 2010.
