TO THE HONORABLE JUDGE OF SAID COURT:

JPMorgan Chase Bank, N.A. ("Applicant") furnishes the following information for the appointment of a Temporary Administration and for issuance of Letters of Temporary Administration to Applicant with respect to the Estate of Max D. Hopper (the "Estate").

Applicant is a national bank with offices located at 2200 Ross Avenue, 7th Floor, Dallas, Texas 75201, and Applicant is a corporation authorized to act as a fiduciary in Texas.

Applicant caused to be filed an Application for Independent Administration Pursuant to Texas Probate Code § 145(e) and for Waiver of Bond Pursuant to § 145(p) (the "Application") on April 28, 2010 in this Court, and a hearing is currently set for this Application at 9:30 am Wednesday, June 30, 2010. Decedent's surviving wife and children joined in the Application for the purpose of indicating their agreement with the designation of the Applicant to serve as independent administrator of the estate. Applicant has been informed by counsel for the family members that each family member support's this Application, and the Appointment of Applicant as Temporary Administrator with the powers set forth below.

Decedent died on January 25, 2010, in Dallas County, Texas, at the age of seventy-five years.

Decedent was domiciled and had a fixed place of residence in this County at the time of death, and the principal part of Decedent's estate was in Dallas County at the time of death.

Decedent died intestate, to the best knowledge and belief of Applicant. However, the applicant and the family members interested in this estate are continuing to search for a valid Will, and have asked that the hearing on the Application be deferred until June 30, 2010 to give them sufficient time to conduct a thorough and diligent search for a valid Will.

The names, ages and residences of Decedent's heirs, and the relationship of each heir to the Decedent are as follows:

- a. LAURA S. WASSMER
Age: 48 years (Born 01/21/62 at Houston, Texas)
Address: 8005 Roe Avenue, Prairie Village, Kansas 66208
Relation: Daughter of Decedent
- b. STEPHEN HOPPER
Age: 53 years (Born 11/21/56 at Fort Belvoir, Virginia)
Address: 501 NW 41st Street, Oklahoma City, Oklahoma 73118
Relation: Son of Decedent
- c. JO N. HOPPER
Age: 62 years (Born 05/14/47 at Nashville, Tennessee)
Address: 9 Robledo Drive, Dallas, Texas 75230
Relation: Surviving Wife of Decedent

Decedent had two children born or adopted who survived Decedent, and they are fully identified above.

The Decedent was married two times. The Decedent married Marilyn J. Hicketier, and that marriage was terminated by divorce in 1978. Decedent married Jo N. McClendon Hopper, and that marriage was terminated by the death of Decedent. There were no other marriages of the Decedent that were ever dissolved, whether by divorce, annulment, or a declaration that the marriage was void.

At the time of his death, the Decedent owned an interest in cash, securities, real property and personal effects generally described as follows:

Stock Options	To be determined
Marketable Stocks, Bonds, and Cash	To be determined

9 Robledo Drive, Dallas, Texas	\$1,831,170.00
Wine Collection	To be determined
Paintings	To be determined
Golf Club Collection	To be determined
Jewelry	To be determined
Miscellaneous Personal Property and Household Furnishings	To be determined

At the date of this application, the Applicant is not attempting to classify the foregoing assets as being separate property or the community property of Max D. Hopper and his surviving spouse, Jo N. Hopper.

There is an immediate necessity for the appointment of a temporary administrator because: (i) Decedent owned shares of stock in PGP Corporation (“PGP”), and PGP was acquired by Symantec Corporation (“Symantec”) in a transaction that closed June 4, 2010, and as a result of such sale the Estate is entitled to be paid approximately \$931,000 by Symantec as soon as a qualified personal representative can claim and receipt for such payment; and (ii) Decedent owns a concentrated position in common stock and options of Gartner Corporation (Symbols IT and PRFT), and both Applicant and the family members believe it is in the best interest of the Estate for those positions to be substantially or fully liquidated to eliminate the market risk of continued ownership of what Applicant believes is a reasonably volatile investment.

The following powers and duties are necessary for the protection of the Estate:

1. The power to receive and receipt for the cash proceeds payable as a result of the sale of PGP shares held in the name of the Decedent, to execute documents on behalf of the Estate that are reasonably necessary to collect such proceeds, and to invest such proceeds in interest bearing deposits and/or short term government obligations to be selected by Applicant; and

2. The power to sell any and all stock and options of Gartner Corporation that Applicant believes is reasonably necessary to preserve and protect the Estate from market risk, to execute such documents on behalf of the Estate as may be reasonable necessary to permit such a sale to occur, to receive and receipt for the proceeds of any such sale, and to invest such proceeds in interest bearing deposits and/or short term government obligations to be selected by Applicant; and

3. The power to open one or more bank accounts or investment accounts in the name of the Estate of Max D. Hopper, showing Applicant as Temporary Administrator of the such Estate, and to execute such documents on behalf of the Estate as may be reasonably necessary to open such accounts, including the filing of an application to secure a taxpayer identification number for the Estate.

Applicant is entitled to receive Letters of Temporary Administration and is not be disqualified by law from serving as Temporary Administrator.

WHEREFORE, Applicant prays that citation issue as required by law to all persons interested in this Estate; that Letters of Temporary Administration be issued to Applicant; and that all other orders be entered as the Court may deem proper.
