**PROOF OF DEATH AND OTHER FACTS - HEIRSHIP - MARTHA BYARS**

On this day Martha Byars ("Affiant") personally appeared in Open Court and, after being duly sworn, stated the following:

Max D. Hopper ("Decedent") died on January 25, 2010, in Dallas, Dallas County, Texas, at the age of seventy-five years. To the best of my knowledge and belief, Decedent died intestate.

I am well acquainted with Decedent's family and marital history.

The Decedent's family and marital history is as follows:

The Decedent's mother and father both predeceased him.

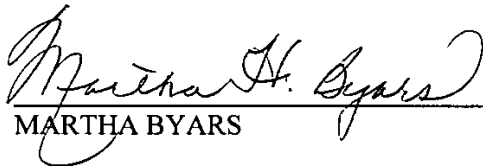

The Decedent was married two times. The Decedent married Marilyn J. Hickethier, and that marriage was terminated by divorce in May of 1979. Decedent married Jo N. McClendon Hopper, and that marriage was terminated by the death of Decedent. There were no other marriages of the Decedent that were ever dissolved, whether by divorce, annulment, or a declaration that the marriage was void.

The Decedent had two children, born to him, and they are Laura S. Wassmer, born January 21, 1962, and Stephen Hopper, born November 21, 1956. The Decedent did not adopt any children.

I have read the Application for Determination of Heirship and Order of No Administration filed in this Estate, and all the allegations in it are true, to the best of my knowledge and belief.

I have no financial interest in the Decedent's Estate.

Signed this 30<sup>th</sup> day of June, 2010.
