**ORIGINAL PROCEEDING  
WRIT OF MANDAMUS**

---

---

**MEMORANDUM OPINION**

On October 19, 2009, relator, Gordon Allen Stamper, filed a petition for writ of mandamus in this Court. *See* Tex. Gov't Code Ann. §22.221 (Vernon 2004); *see also* Tex. R. App. P. 52. In the petition, relator complains of the September 10, 2009 order signed by the Honorable Olen Underwood, presiding judge of the Second Administrative Judicial Region of Texas, denying relator's motion to recuse the Honorable Sharon McCally, presiding judge of the 334th District Court of Harris County, in the underlying

suit. Relator requests that an order be entered recusing Judge McCally from the underlying suit.

Relator has not established his entitlement to the extraordinary relief of a writ of mandamus. Accordingly, we deny relator's petition for writ of mandamus.

PER CURIAM

Panel consists of Chief Justice Hedges and Justices Seymore and Sullivan.
