Jim, here is my suggested language revision to your proposed Rule 11.

Also, have you and Ken had time to review Johanson's opinion? Given your upcoming trip, we might not have enough time to have meaningful discussions prior to your return. Given the need to have this matter decided by the judge before mediation, we will probably file our MSJ and request a hearing on it after your return. This will still leave us an opportunity to meet and discuss prior to a hearing.

Mark
